## ***President's message– by Richard Renati***

Great news the pool is open!

The Pool and Cabana facility open as of July 3, at 1 PM. Due to a global chlorine shortage we have to keep the pool temperature lower than normal. We apologize for that but the only other option is to not open the pool. We chose to open the pool.

We will resume regular hours of operation. The regular rules will apply with the following addition:

1. **All unvaccinated persons must wear a mask inside the building**
2. **If you have COVID symptoms please do not enter the facility.**

We will resume renting out the facility under the regular rules and process. There is no new scheduling system.

### Belwood local Emily Lee U.S. women's gymnasts finalist for Tokyo Olympics

18-year-old Emily Lee, her family lives in Belwood, has consistently been one of the nation's top gymnasts since making her senior debut in 2019. Emily at 6 years old started out at West Valley Gymnastics in Campbell, like lots of the local kids, but she was special. Clearly they saw the enormous potential in Emily and she spent most of her childhood in intensive gymnastic programs working toward her Olympic dream.

Emily is the 2021 Winter Cup floor exercise silver medalist and the all-around bronze medalist. She was the all-around champion at the international 2020 L'International Gymnix. Lee, who will head to UCLA next year, faced off against the best gymnasts in the country at the U.S. Olympic Gymnastics Trials in St. Louis last week.

Lee competed June 26-27th at the gymnastics finals for a spot in the Tokyo Olympics. On the second day of her Olympic bid, which took place at The Dome at America's Center in St Louis, Mo., Emily crashed to the floor during a routine and injured her ankle.

Emily placed in the finals Vault 7th place , Bars 17th place, Beam 8th place, Floor 15th place. Emily placed 15th all around for the finals, great job Emily and hope your ankle heals quickly!
